RIDE OPERATOR:

Refer to ride manufacturer's safety checklist. For rides not covered by such, refer to accepted practices.

DISCLAIMER: This Checklist is presented only as a suggested method of inspecting various riding devices and attractions. It is not a standard of inspection endorsed by the OADA or IAFA or their members. It is suggested that any such inspection include, but not be limited to, the points of inspection herein referred to. At all times, or whenever possible, ride owners or operators shall include in this inspection the specific ride operators manual checklist items pertaining to the ride inspected and follow the methods and procedures found therein.
