

Illinois Fire Inspectors Association General Membership Meeting

Called to Order: 0810

- Introduction to Chiefs/Guests
- Communications and Announcements (Ludemann):

None

- Affirmation of Minutes-Previous meeting: MOT: McBride 2nd Studer
UUV: x
- Affirmation of Treasurers report: MOT: Studer 2nd: McBride
UUV: x

Executive Directors Report: (Morris)

The mini-seminar today will be testing the ability to simultaneously have a live and virtual seminar. If this works, future seminars may be offered in both formats.

Please remember to sign in and out to receive credit for the mini-seminar.

The association is looking at alternative locations to host mini-seminars as opposed to Medinah. If you have any recommendations, let the office or a board member know.

The conference was held in March and was very successful. The 2023 conference will also be held in March – more details to come later.

The Illinois CRR website (illinoisrcc.com) is available and has many tools for departments.

The State Fair will be on August 21. Please consider volunteering to work the day.

Legislative Report: (Morris)

The Illinois Smoke Damper Act went into effect January 1st. This requires licensing for individuals testing smoke and fire dampers.

Chapter Reports:

- Strike Force (Zerfass)

Full day seminars will occur on June 2nd and in October and November.

Visit the website at fisf.org.

Illinois Fire Inspectors Association General Membership Meeting

Committee Reports:

- Codes and Standards: (Studer)

The 5/20 mini-seminar will be from Spears on CPVC sprinkler pipe. Location is TBD.

The June mini-seminar will be an IFC update.

The October mini-seminar will be on accessibility.

The November mini-seminar will be "Did you Know?"

There will be a full day ICC High-Piled storage class available. The date and location is TBD.

The Jensen Hughes Academy and Ask the Expert are available on the IFIA website.

OLD BUSINESS:

None

NEW BUSINESS:

None

CODE ENFORCEMENT PROBLEMS:

Licensed food trucks are coming from other jurisdictions with multiple issues discovered. Does anyone have a program in place to address this? Bloomingdale Fire would like further information.
