

FIRE SPRINKLER DEMO & TRAINING TRAILERS:

SEEING IS BELIEVING.

The best way to convince people the effectiveness of fire sprinklers against fire is to show them. That's why the Illinois Fire Inspectors Association (IFIA) and Northern Illinois Fire Sprinkler Advisory Board (NIFSAB) offer 3 fire sprinkler demonstration trailers for use by fire officials and fire safety advocates.

Use the trailers for fire sprinkler demonstrations at public events and village or fire district board meetings. Or use the valve training trailer for hands-on fire service training for each shift at the fire station.

NIFSAB will tow the trailers to the site and provide fire sprinklers and all materials for burn demos FREE OF CHARGE. And, NIFSAB will even donate funds to the IFIA for each trailer rental.

IFIA Demo & Valve Training Trailer

Burn room featuring residential sprinkler, along with commercial valves for training

Training Info: 1.5-hour sessions with dry, preaction and home fire sprinkler systems. Learn how each system operates, when it has tripped, and how to shut it down and prepare it for service restoration.

Reservation Contact: NIFSAB (Erik Hoffer)
708-403-4468, erik@nifsab.org

Water / Electric: FDC only / Electric needed

IFIA Hotbox Demo Trailer

Burn room featuring residential sprinkler (remote-controlled)

Reservation Contact: Monica Halverson, (224) 387-3340
ifiafire@illinoisfireinspectors.org

Pick-Up Location: Illinois Fire Inspectors Association,
426 W. Northwest Hwy., Mt. Prospect, IL

Water / Electric: Tank & pump (electric needed to charge battery) or garden hose

Standard IFIA Demo Trailer

Burn room featuring residential sprinkler

Reservation Contact: NIFSAB (Erik Hoffer)
708-403-4468, erik@nifsab.org

Water / Electric: Tank & pump or FDC / Electric needed
