

# FIRE SPRINKLER SIDE-BY-SIDE AND FLASHOVER DEMONSTRATIONS

Work with NIFSI to Improve Your Public Outreach

NIFSI, the **Northern Illinois Fire Sprinkler Initiative**, is the educational association ready to deliver exciting side-by-side demonstrations to help educate the public and elected officials. Any of the side-by-side demonstration units can be showcased at community events, open houses, safety days, board meetings, etc., that will demonstrate how fire sprinklers operate, the dangers of flashover, and why the model codes reflect fire sprinkler usage.

**We provide no cost full service demos, with our own staff, to build, assist in the demo, and pick up with no hassle to the fire department.**
