

# Fire Prevention Program Evaluation

## Make Your Effort Count

**March 25, 2013**

**Instructor: Pat Mieszala**

**8:00 a.m. to 4:30 p.m.**

**J.C. Restoration, Inc**

3200 Squibb Ave, Rolling Meadows, IL 60008

**Cost – \$35 for the first IFIA member, and \$20 for additional members of the same department  
Non-Members are \$45**

**The evaluation of fire prevention programs is critically important for success and to justify prevention efforts. This course provides an understanding of research, evaluation, and data collection methods necessary to support fire prevention programs and the disciplines of Education, Code Enforcement, Plans Review, and Fire Investigation.**

**Sponsored by Vision 20/20, a project of the Institution of Fire Engineers, USA. Funding is provided through the DHS Assistance to Firefighter Grant Program.**

 **Vision 20/20**
