

## 2023 IFIA Fire and Life Safety Conference

March 22 – 24

Par-a-Dice Hotel, East Peoria, IL

### Sponsorship and Exhibitor Opportunities

Join us for a **ONE DAY** exhibitor showcase. If you have a business or product that you would like to showcase to over 100 fire inspectors and public educators to see, *this is the place to be*.

This is the 46<sup>th</sup> year that we have been offering conferences for fire inspectors and educators. If this is not the longest running conference in the country, it is certainly at the very top.

**On March 22<sup>nd</sup>, from Noon – 5 pm**, we will host an exhibitor showcase. Educational classes will conclude at 3 pm, and attendees will have access to the showcase room from 3 pm until 5 pm, as well as during lunch – which will be held in the same room. A hosted hospitality bar will be provided during the afternoon showcase, and a raffle will be held at the conclusion of the day.

Exhibitor spaces (8 x 10) will cost \$350 this year. **The cost will be reduced to \$275** if the exhibitor provides a \$50 gift for the raffle. **Exhibitor spaces are limited**, and are on a first come basis. *If electricity is required, that is an additional \$30*. Each booth will be allowed two people for lunch. Additional people will be \$35 each.

The exhibit room has space for 18 tables. These spaces will be assigned to the first businesses that register. There are multiple spaces just outside the showcase room, by the doors that are used to access the area. Once the 18 tables are filled, exhibitors will be placed in this area.

If you are unable to participate in the showcase, and would still like to support the education of fire inspectors and fire and life safety educators in Illinois, we would be extremely grateful. **It is your support that allows us to offer affordable educational offerings such as this.**

All exhibitors and sponsors will be listed in the on-site program as well as on a sign in the room.

**Registration is available on our website at [www.illinoisfireinspectors.org](http://www.illinoisfireinspectors.org), or by calling our office at 224-387-3340.**
