

Bloomington Fire Protection District

Employment Opportunity
Fire Inspector – Full-Time

The Bloomington Fire Protection District is seeking a full-time Fire Inspector. This is a civilian (non-sworn) position and the hours for this position are Monday through Friday 8:00 AM to 4:30 PM.

Opening Date: May 2, 2022

Closing Date: Open until position filled

Responsibilities:

The Fire Inspector will be responsible for conducting annual fire safety inspections of commercial, industrial, public, institutional buildings and multi-family residences for compliance with applicable fire codes, ordinances, and statutes. The individual will also establish and maintain effective working relationships with property owners, occupants, public and government officials to achieve fire prevention goals, will need to maintain daily records and reports and attend fire prevention meetings and training as required, review architectural drawings for fire prevention system installations, and conduct final fire prevention system tests for newly installed systems.

Desired Minimum Qualifications:

- Associate Degree, supplemented by courses in fire prevention, fire science, fire protection, fire engineering or public safety administration, preferred
- Fire Inspector 1 or Fire Prevention Officer
- Fire Inspector II, preferred
- NFPA and/or ICC Certified Fire Plan Examiner to include Life Safety, Fire Alarm, and Sprinkler Plan Review, desired
- Valid driver's license required

Knowledge Of: Fire and life safety hazards, fire and life safety laws, modern methods and techniques of fire prevention, the principles and practices of building construction and maintenance.

Ability To: Recognize existing or potential fire and casualty hazards in a wide variety of structures and installations, establish and maintain working relationships with property owners, public building officials, the general public and other district employees, express and receive factual information clearly and concisely in either written or oral form in English, enforce rules and regulations in a firm, consistent, tactful and impartial manner and the ability to read and understand blue prints, plans and drawings.

Wage and Benefits:

Starting Salary: Salary range \$60,000 – 75,000 DOQ

40 hour work week, 8 hours/day, Monday – Friday 8:00 AM – 4:30 PM

Health and Dental Insurance, Vision Optional

\$100,000 Life Insurance

Illinois Municipal Retirement Fund

Vacation, Holidays, Personal Time and Sick Leave

Successful candidate will be subject to a background check and drug screening.
